Liability/Tuition Payment/Model Release:

I grant permission to the staff of the dance school to take first aid or emergency measures as judged necessary for the care and protection of my child while under the supervision of the school. In case of medical emergency, I understand that my child will be transported to an appropriate medical facility by the local emergency unit for treatment if the emergency unit deems it necessary. I understand that in some medical situations the staff will need to contact the emergency resource before the child's parent, physician and or other person acting on the parent's behalf. I also understand and agree that the child's parents or legal guardians shall be responsible for any expenses incurred. As the parent/legal guardian of _____, I agree to hold harmless from any and all liability the school, its officers, employees both in their professional capacity and personally for all injury or illness resulting from or in any way connected with his/her participation in the classes, activities or special events at the school. I understand that it is the school's policy that while under the supervision of the school no child is allowed to leave the building without a parent/legal guardian or the written permission of a parent/legal guardian and that the parent/legal guardian assumes full responsibility for the actions and behavior of the child. Parents/Legal guardians give their permission to the school to use photos and/or video of their child without remuneration in connection with school publications, advertising, TV and news coverage. If (I) (my child)ren drop out of the dance program, **I understand I must complete the DROP FORM included in the Student Handbook and return it to the office or drop in the check box, at least 30 days prior to the student departure.** This allows the studio to be sure to discontinue my payment schedule. The Student Handbook will be given me upon completion of **registration at the school.**
